BAR AND SNACK MENU

GO GREEN

Sustainability starts on your plate – and we put it into practice every day. In everything we do, we consider the social, economic and environmental aspects of sustainability.

When selecting our food and drinks, we focus on regional products wherever possible. This enables us to keep travel distances short, support producers in our region and offer you unique specialties. Our local cooperation partners include:

- Lütjenburger D. H. Boll Brennerei

For other products and services, we work with reputable suppliers who share our commitment to sustainability – in many different ways.

Our trusted partners include:

- Bäckerei Wäger
- J. J. Darboven
- Jörgen Petersen & Sohn
- Transgourmet
- Resch & Frisch

If you would like to know more about the sustainability efforts of our suppliers, we will be happy to provide you with the relevant information.
